**New Business**

*Committee Reports: Louisiana Next Generation 9-1-1 Sub-Committee*

Kathrine Cargo, NENA representative on the Louisiana GIS Council reported that the council has been working with Darryl Mack, GIS Manager with Louisiana DOTD to create data schemas and discussing how to bring GIS data into compliance with NG 9-1-1. Ms. Cargo advised the council has also been creating data tables to help parishes see how to organize their data to be compliant with NG 9-1-1 and Louisiana road standards. Ms. Cargo informed members that more information can be found on the Louisiana GIS Council website, lgisc.org. Discussion followed.

Anthony Summers advised members that the CAD Committee is currently working with DHS and CISA on the CAD to CAD project which would allow for parishes to communicate interoperable via data in the State of Louisiana during a disaster. Mr. Summers advised that a CAD survey will be sent out to each parish in the near future. Discussion followed.

*Committee Reports: Symposium Committee*

Linda Lavergne thanked everyone for attending the Symposium and reminded those present of the Shrimp/Crawfish Boil and karaoke contest that will be taking place after the Chapter meetings.
